

## Title

Peace Flags Exchange

## Description

In the activity we design “flags of peace”, and then we exchange them with schools and associations connected to the Living Peace network.

The activity is promoted by [Living Peace International](http://LivingPeaceInternational.org)

## Target group

Children and kids from any school, association, or group.

## Goals

- Spread the culture of peace
- Improve teamwork skills
- Enhance creativity
- Establish meaningful relationships and make new friends with people from all around the world

## Activity

- Meditate on peace, then share your thoughts.
- In small groups, create your flag of peace: set your fantasy free and express your creativity.
- Take part in the world relay **Run4Unity** or other public events carrying your flag.
- When the event is over, exchange your flag with other groups or mail it to a school or group of the Living Peace International network.
